

SAVE OUR LIBRARY HOURS

A message from the Friends of the Ripon Memorial Library

The Ripon City Council is reviewing the 2010-2011 Fiscal Budget and the hours for the Ripon Memorial Library are at risk of being cut for a second time! Just last year, budget cuts reduced the library hours from 40 to 32 and now the City of Ripon is considering a further cut in library hours. This additional reduction in hours will have a negative impact on the entire community.

The Friends of the Ripon Memorial Library needs your help to preserve the existing 32 hours that permits the library to be open 4 days a week with **FREE ACCESS** to computers, library assistance, job search resources, programs, collection materials, homework tutoring and a safe meeting place for the entire community to enjoy!

Help SAVE OUR LIBRARY HOURS by contacting the Ripon City Council now! Here's how:
